Students on multiple teams. So the average of the Team GPA’s will not equal the Student Athlete averages.

Notes:
All GPA's on this page are averages of Cumulative GPA's, not Term GPA's.
Team GPA's are unweighted averages of all team members that were active during the term.
The "5 Yr Incr." column denotes those teams with a current Team GPA greater than the previous 5 year average.
The team that is highlighted in green has the highest Team GPA within the respective gender group.
Students are on multiple teams. So the average of the Team GPA's will not equal the Student Athlete averages.

**Notes:** These charts use Cumulative GPA Team averages, unweighted, including those students active for either term.

In the GPA chart, highlighted teams have a current year average greater than the previous year.

In the Percent Change chart (on the right side), the team names highlighted in GREEN show a positive improvement over the past five years.

In the Five-Year-Sum column, the highest and lowest percent change is highlighted in green and red, respectively.
